INDEPENDENT AUDITORS' REPORT

To the Board of Directors Council Against Domestic Abuse & Sexual Assault, Inc. Cherokee, Iowa

We have audited the accompanying statements of financial position of Council Against Domestic Abuse & Sexual Assault, Inc. (a nonprofit organization) as of June 30, 2005 and 2004 and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Council Against Domestic Abuse & Sexual Assault, Inc. at June 30, 2005 and 2004, and the changes in its net assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Page 3

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated August 4, 2005 on our consideration of Council Against Domestic Abuse & Sexual Assault, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be considered in assessing the results of our audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Reporting Entity - Council Against Domestic Abuse & Sexual Assault, Inc. (CADA/SA), located in Cherokee, Iowa, is a non-profit organization which provides counseling and shelter to victims of domestic abuse. CADA/SA believes that all individuals have the right to live their lives free from fear, therefore not being subjected to violence, either actual or threatened. CADA/SA is designed to respond on a 24-hour basis to the victims of domestic violence, sexual assault, violent crimes and to their families, and to work towards increasing community awareness concerning these issues. CADA/SA's support comes primarily from Cherokee, Buena Vista, Sac, and Ida Counties, individual donors' contributions and various government grants.

CADA/SA is exempt from federal income tax as provided under Section 501[c][3] of the Internal Revenue Code and as such does not pay federal or state income taxes. CADA/SA did not conduct any unrelated business activities. CADA/SA has also been classified as an entity that is not a private foundation within the meaning of Section 509[a] and qualifies for deductible contributions as provided in Section 170[b][1][A][vi].

The Council's financial statements are prepared in accordance with U.S. generally accepted accounting principles as prescribed by the Financial Accounting Standards Board for non-profit corporations.

<u>Fund Accounting</u> - The accounts of the Council are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, net assets, revenues and expenses. The various funds are grouped as follows in the financial statements:

<u>Unrestricted Fund</u> - This fund is utilized to account for the daily transactions of the Council that are not properly recorded in another fund.

Temporarily Restricted Fund - This fund is used to account for all resources that are restricted by donors and can only be utilized according to donor-imposed stipulations.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

<u>Basis of Accounting</u> - Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles. Revenues are recognized when earned and expenses are recorded when the liability is incurred.

<u>Basis of Presentation</u> - Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Council and changes therein are classified and reported as follows:

<u>Unrestricted Net Assets</u> - Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily Restricted Net Assets</u> - Net assets that are subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

<u>Cash and Cash Equivalents</u> - The Council considers cash on hand and demand deposits in banks as cash, and certificates of deposit with original maturities of three months or less as cash equivalents. There were no cash equivalents at June 30, 2005 and June 30, 2004.

<u>Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

<u>Property and Equipment</u> - Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

Furniture Sales Building 40 Yrs.
Shelter House and Improvements 30 Yrs.
Shelter House Furnishings and
Equipment 5-7 Yrs.

Revenue Recognition - Annual fund-drive contributions are generally available for unrestricted use in the related campaign year unless specifically restricted by the donor. Grants and other contributions of cash are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

CADA/SA accepts donations of used furniture for restoration and miscellaneous household goods for subsequent sale. This program provides funds for currently unmet client needs. Revenue is recorded at the time of sale. Donations are considered to be of no value until they are sold. CADA/SA also received donations of food and miscellaneous personal items for client use.

Compensated Absences - Council employees accumulate a limited amount of earned but unused vacation and flex time benefits payable to employees. Amounts representing the cost of compensated absences are recorded as liabilities and have been computed based on rates of pay in effect at June 30, 2005 and 2004, respectively.

<u>Contributed Warehouse Space</u> - The fair value of the free use of warehouse space is treated as a contribution received and an expense.

NOTE 2 - DESCRIPTION OF LEASING ARRANGEMENTS:

The Council rents space for the Storm Lake office under an operating lease. The lease is on a month to month basis. The Council also rents a garage in Cherokee under an operating lease. This is a monthly lease with an automatic renewal option. The operating lease expense was \$5,300 and \$5,350 for the years ended June 30, 2005 and 2004, respectively.

NOTE 3 - IN-KIND CONTRIBUTIONS:

A number of volunteers donate services that create or enhance nonfinancial assets or that require specialized skills, and would typically need to be purchased if not provided by donation. These donated services are recorded at their fair value in the period received. The value of donated services is reflected in the financial statements as Donated Services and an offsetting expense, In-Kind Expenditure - Volunteers. Donated services are required to meet match requirements of certain grants. For the years ended June 30, 2005 and 2004, CADA/SA recognized \$22,783 and \$20,634 as the value of volunteer services, respectively.

NOTE 4 - SUMMARY OF GRANTS/CONTRACTS FUNDING:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Council Against Domestic Abuse & Sexual Assault, Inc.

We have audited the financial statements of Council Against Domestic Abuse & Sexual Assault, Inc., Cherokee, Iowa, as of and for the year ended June 30, 2005, and have issued our report thereon dated August 4, 2005. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Council Against Domestic Abuse and Sexual Assault, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Council Against Domestic Abuse and Sexual Assault, Inc.'s ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Reportable conditions are described in the accompanying Schedule of Findings.

Page 15

A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered material weaknesses. However, of the reportable conditions described above, we believe item (A) is a material weakness. The prior year reportable condition (A) has not been resolved.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council Against Domestic Abuse & Sexual Assault, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under Government Auditing Standards.

Comments involving statutory and other legal matters about the Council's operations for the year ended June 30, 2005 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the Council. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes. Prior year statutory comments (1), (2), (3) and (4) were resolved.

This report, a public record by law, is intended solely for the information and use of the officials and employees of Council Against Domestic Abuse & Sexual Assault, Inc. and other parties to whom the Council may report. This report is not intended to be and should not be used by anyone other than these specified parties.

COUNCIL AGAINST DOMESTIC ABUSE & SEXUAL ASSAULT, INC. CHEROKEE, IOWA SCHEDULE OF FINDINGS YEAR ENDED JUNE 30, 2005

FINDINGS RELATED TO THE FINANCIAL STATEMENTS:

INSTANCES OF NON-COMPLIANCE:

No matters were noted.

REPORTABLE CONDITIONS:

(A) Segregation of Duties - During our review of internal control, the existing procedures are evaluated in order to determine that incompatible duties, from a control standpoint, are not performed by the same employee. This segregation of duties helps to prevent losses from employee error or dishonesty and therefore maximizes the accuracy of the Council's financial statements. We noted that various individuals have custody of receipts, make disbursements and perform record-keeping and reconciling functions for the Organization.

<u>Recommendation</u> - We realize that with a limited number of office employees, segregation of duties is difficult. The Council should review the operating procedures to obtain the maximum internal control possible under the circumstances.

<u>Response</u> - Director and Board continually review operating procedures to obtain the maximum internal control possible.

<u>Conclusion</u> - Response accepted.

OTHER FINDINGS RELATED TO STATUTORY REQUIREMENTS AND OTHER MATTERS:

No matters were noted.
